Recent Inaccuracies in the Press

Allegation: Carter Water Allegations - contaminated water in Iraq served at Ramadi.

Fact: We did not operate the ROPU facility at the time - - the Army did.

Allegation: 18 Electrocution Deaths caused by **KBR** in IRAQ.

Fact: **KBR** has no contact on 17 of 18 and no responsibility on the last one.

Allegation: **KBR** improperly billed Government for boots through the door on MWR.

Fact: Billed hourly pursuant to contract. Complainant is a disbarred attorney. Personal Labor claims denied three times.

Allegation: Houston Chronicle reports **KBR** is paying \$402 million in settlement.

Fact: Reporters were referred to HAL's January 26 filing and KBR's previous filings so the correct financial information could be obtained. What was reported was a straight 'no comment' without reference to the filings.
